Kebabs

Double A Kebab

Most kebabs use only 80% of the meat! Double A Kebabs are different, they slice right through to the skewer giving you maximum yield and maximum profit. Wastage is cut down by 5% so you get more servings per doner!

This raw meat product should be roasted on a kebab spit until the serving slices are piping hot and the meat juices run clear with no raw pink bits remaining.

Double A Max Doner Kebabs

A secret blend of Double A spices and fresh green chillies with a mix of beef and lamb. No MRM or chicken skin.
