GREATER SAVINGS IN JANUARY & FEBRUARY!

We know January and February can be the most difficult months, so we have been thinking about how to help you save more when you choose to buy from us.

HOW?

...**We've lowered our 'Case Rate' Savings Bands!**

And this means you can access greater savings more easily.

OUR 'CASE RATE' SAVINGS STRUCTURE IS USUALLY:

- **List Price**
Pay list price if you only buy between 1 and 19 items.
- **20 Case Rate**
When you reach 20 items on your order (up to 39 items), every item on your order is discounted.
- **40 Case Rate**
When you reach 40 items on your order (up to 59 items), every item on your order is discounted further.
- **60+ 'Best' Case Rate**
When you reach 60 items on your order, every item you buy is discounted to our Best Case Rate.

NOW SAVE £££'s MORE EASILY...

Our NEW Promotional 'Case Rate' Savings Structure is:

- **PROMO 20 Case Rate**
When you reach 20 items on your order (up to 29 items), every item on your order is discounted.
- **PROMO 30 Case Rate**
When you reach 30 items on your order (up to 39 items), every item on your order is discounted further.
- **PROMO 40+ 'Best' Case Rate**
When you reach 40 items on your order (or more), every item you buy is discounted to our Best Case Rate.

So, quite simply, the more you have in your basket in Jan & Feb, the less you'll pay.

- Please note that whilst Fish is counted towards the total of units you buy, it won't be discounted by the Case Rate Savings Structure.

NEW Hook & Fish Packaging Brochure!

We're delighted to send you our latest Hook & Fish packaging brochure in this mailer, it's been updated to include the full range of products we now offer.

The Hook & Fish brand was exclusively created by Henry Colbeck and the Q Partnership to give you a complete, off-the-shelf branding solution. We offer everything from boxes to bags, through to eye-catching point of sale. The range not only has a fresh contemporary look, it has also been designed to help you achieve perfect portion control.

Hook & Fish corrugated boxes allow food to breathe without sweating, meaning meals stay crisp, and the boxes also incorporate the latest 'Fold-It, Bin It' feature, which means they take up less space in the bin after being used.

Did you know that over 90% of the Hook & Fish range is fully recyclable? And we're working towards making this 100% in 2023!

Make sure your food gets the recognition it deserves and stands out in the crowded takeaway & fast-food markets by using the Hook & Fish range for packing, presenting, and serving takeaway meals professionally and effortlessly!

And let us reward you for choosing Hook & Fish packaging too - **don't forget to look out for Save + Select Club Points right across the range!**

In business together for 130 years!

We're so grateful to all of our valued Customers, Suppliers, Colbeck Colleagues and the wider Fish & Chip Industry who have contributed to our 130-year journey. From agricultural beginnings, to selling 'superb motor oil', being 'The Caterers Fat Friend' and now focussing on being 'More Than Just A Supplier', our business has developed and we think our founder Henry Colbeck would approve.

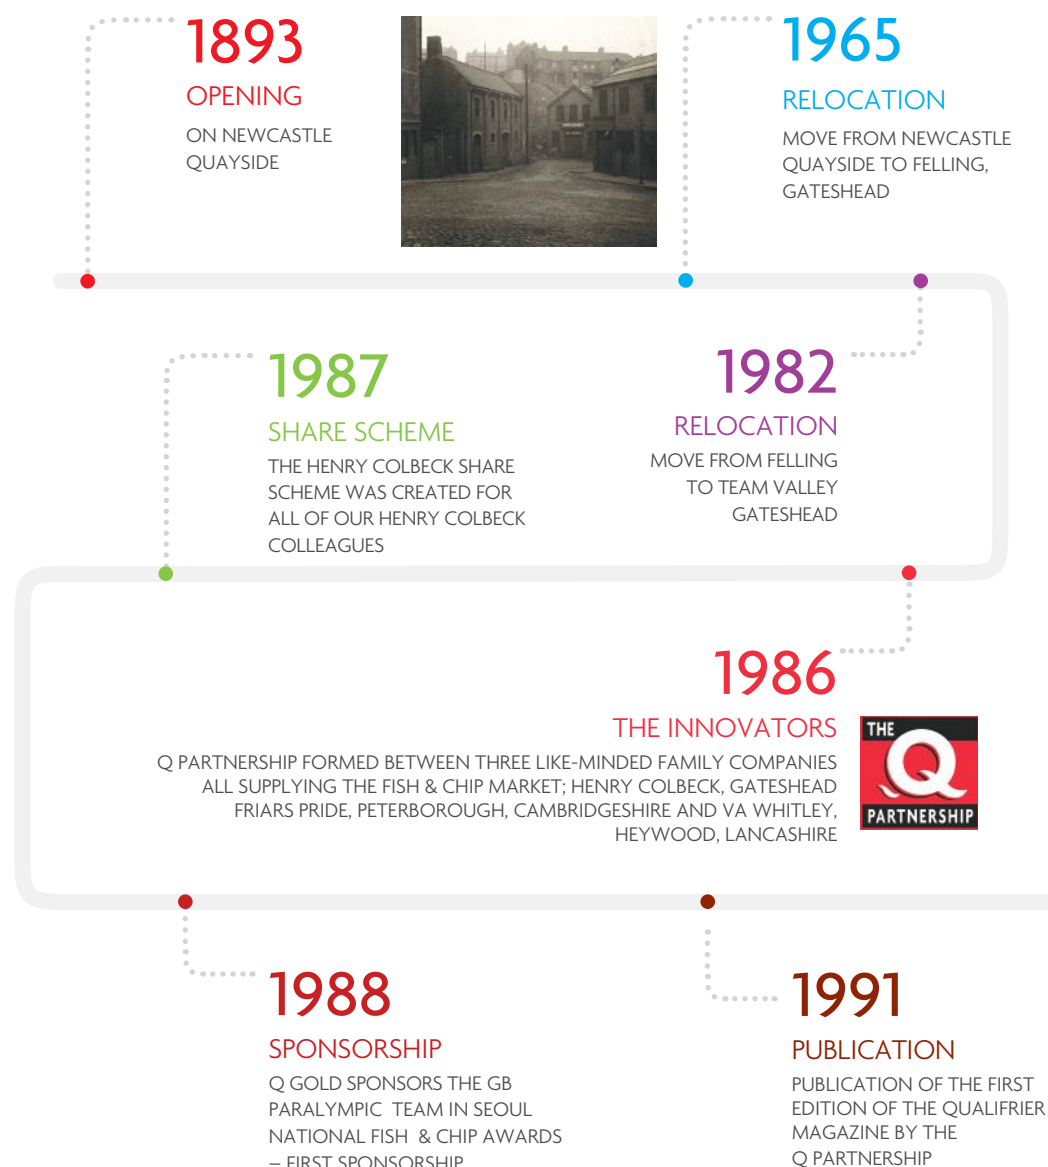

The timeline shows some highlights over the years, but whilst we're proud of our history, we're focussed on our commitment to the future. In 2023 we'll be supporting the industry to the best of our ability, from rejuvenating our Save + Select Rewards Club to sponsoring both National Awards and National Fish & Chip Day, through to showcasing new initiatives to grow Fish & Chip and catering businesses. We're always open to suggestions to how we can support you and the industry, so please get in touch at marketing@colbeck.co.uk.

Warmest thanks and best wishes to you all and we hope to see you at our exhibition on Sunday March 26th in Harrogate.

Douglas, Georgina, Bill & Isobel Colbeck & our Board of Directors:

Paul Holliday - MD, **Michael Shone** – Purchasing Director, **Hugh O' Brien** – Operations Director and **Matt Worsnop** – Commercial Director

WINNING WAYS!

In our November issue, we announced we were keen to talk to customers who were finding ways to 'Win' in business. We're expanding this to include our suppliers and business partners, particularly those who are innovating in their field. With Veganuary in mind, we spoke to **David Yeung**, Co-founder and CEO of OmniFoods... Here's what he had to say!

David Yeung

"OMNI is the food innovation arm of Green Monday, a global leader in sustainability, and ranked #32 on Fortune's 2020 Change the World list. Since launching the OmniSeafood range in the UK in 2022, the plant-based fishless OMNI Golden Fillet has emerged as a winning product with consumers and foodservice operators alike.

One of the UK's leading pub retailers is now serving **plant-based fish & chips** featuring OMNI Golden Fillets in almost 500 of their locations – the dish has even been named **"Best Vegan Fish Dish"** in PETA UK's Vegan Food Awards 2022. I'm delighted that Henry Colbeck is offering the fillet so that Fish & Chip shops can be confident they won't miss out on important plant-based sales.

'Made from non-GMO soy, pea, and rice proteins, OMNI Golden Fillets are golden-crusted and ready-to-fry from frozen in approximately 4 minutes, making it a quick and easy vegan meal,' said **David Yeung**,

'We recently held a tasting session with the Henry Colbeck sales team and the OMNI Golden Fillet, served with chips and mushy peas, went down a treat with everyone! The fillets were delicious and crispy with the tenderness and flakiness of fish. They had a welcoming fishy, ocean flavour and being so easy to cook, I think they're sure to be a hit,' said **Georgina Colbeck**.

If you're not already familiar with Lite-BITE we hope you'll take a moment to check out your **free sample and the offer** we have on the boxes during January and February.

Lite-BITE is the way to offer an alternative size meal for customers who prefer smaller portion sizes, helping you to appeal to a much larger market.

The Lite-BITE not only appeals to health-conscious customers, but also to families, young people, and the elderly, and people who want to grab and go, helping you increase your lunchtime trade. The concept is aimed at any Fish & Chip shops looking to ignite their lunchtime trade or to simply cater for a wider range of customers by offering an alternative sized portion that might be more suited to their appetite, lifestyle or budget.

We have **FREE point of sale** available to promote Lite-BITE in your shop.
