## NOT LONG TO GO AND YOU'RE INVITED!

**Sunday 26<sup>TH</sup> March 2023**  
Yorkshire Event Centre  
Harrogate HG2 8NZ

We're all getting excited for our annual exhibition - we've got new exhibitors, lots to see, do, sample and learn, and a bit of theatre thrown in, **plus you can save £££s on the day!**

**See Pages 4 & 5 for more details**

# Welcome!

## What's Hot for March & April?

We've been working with our suppliers and sharpening our pencils, so don't miss out on the deals available at the show.

## A HUGE THANK YOU!

We can't thank those who took the time to vote for us in the 'Supplier of the Year' category at the National Fish & Chip Awards enough. It came as a wonderful surprise to find ourselves in the Top 5 finalists category alongside KFE, Isle of Ely Produce, Ceres and Dennis Crook Fish.

By the time you read this, the awards will have taken place and there will be an ultimate winner. Whether we're the lucky ones or not, to have been nominated at all and actually be in the final as the only specialist wholesaler, makes us feel like winners already.

A heartfelt thank you!

*Douglas Colbeck*

## GREATER SAVINGS CONTINUE IN MARCH & APRIL!

With Spring and Easter fast-approaching, we are continuing with our lower case rate savings offers. Plus, come to our exhibition and you will be able to **SAVE EVEN MORE!**

### HOW?

...We've retained our Jan & Feb 'Case Rate Savings Bands'! And this means you can access greater savings more easily.

### OUR 'CASE RATE' SAVINGS STRUCTURE IS USUALLY:

- **List Price**  
Pay list price if you only buy between 1 and 19 items.
- **20 Case Rate**  
When you reach 20 items on your order (up to 39 items), every item on your order is discounted.
- **40 Case Rate**  
When you reach 40 items on your order (up to 59 items), every item on your order is discounted further.
- **60+ 'Best' Case Rate**  
When you reach 60 items on your order, every item you buy is discounted to our Best Case Rate.

### NOW SAVE £££'s MORE EASILY...

Our NEW Promotional 'Case Rate' Savings Structure is:

- **PROMO 20 Case Rate**  
When you reach 20 items on your order (up to 29 items), every item on your order is discounted.
- **PROMO 30 Case Rate**  
When you reach 30 items on your order (up to 39 items), every item on your order is discounted further.
- **PROMO 40+ 'Best' Case Rate**  
When you reach 40 items on your order (or more), every item you buy is discounted to our Best Case Rate.

### So, quite simply, the more you have in your basket in March & April the less you'll pay.

- Please note that whilst Fish is counted towards the total of units you buy, it won't be discounted by the Case Rate Savings Structure.

If you have any news, initiatives, events or things you'd simply like to share with us to include in 'What's Hot', get in touch with us by email [marketing@colbeck.co.uk](mailto:marketing@colbeck.co.uk) or call on **0191 482 4242**

## PROUD TO BE A HEADLINE SPONSOR!

We've always supported our industry's national day – but this year we've gone one step further in our commitment and become joint headline sponsor as part of the Q Partnership, with Middleton Foods.

We hope our involvement and additional funding will help the event, now in its eighth year, continue to flourish and develop, and that it will help the organisers at NEODA put on an even greater show and extend its reach further.

Speaking on behalf of The Q Partnership, Georgina Colbeck was pleased to tell the press *"We know how challenging the past few years have been for everyone, so we are putting extra support in."*

*We also want to champion "Team Fish & Chips" throughout the year to drive footfall and raise awareness of the fantastic food that our industry is producing, especially amongst the younger generation. We're family businesses supporting family businesses feeding the nation's families."*

Gary Lewis, president of NEODA, said: *"We are always impressed with the way some shops embrace the day - we love it when they just 'get it' and know that the purpose of the day is to celebrate the nation's favourite dish and, just in case anyone has forgotten about fish and chips, re-ignite their love of it on National Fish & Chip Day. This PR generates some excellent interest and interaction and consumers often find themselves thinking about fish and chips after the day and then revisiting the shops or restaurants for more."* According to NEODA, more than half the population saw, heard or read about National Fish & Chip Day in 2022, with it featured on or in national and regional TV, radio, newspapers, magazines and online.

## 5 STAR DRIVER AWARDS

In our last newsletter we invited all of our customers to nominate the driver or drivers who they feel go above and beyond with the level of service they regularly give ... and we have been inundated with emails sharing kind words and positive personal comments! So many of you have said things like 'nothing is ever too much of a problem, [they are] punctual, extremely efficient and cheerful, trustworthy, reliable and friendly, and that you look forward to seeing your driver(s) and the Henry Colbeck wagon pull up!

In fact, we received so many votes that we decided to present extra prizes! And as we prepare to go to press with this magazine votes are still rolling in and we'll be awarding even more prizes at the end of February.

**Thank you to each and every one of you who has taken the time to vote!**

# EXPECT A WARM WELCOME AT THE PACKAGING HUB!

## BE INFORMED

Legislation is due to come into force in October 2023 in England, enforcing a ban on single-use plastic (SUP) items. Food service, takeaway and hospitality businesses will now need to find alternatives.

### WILL YOU BE READY?

## WHAT DOES IT MEAN?

The ban will prohibit the use of single-use plastic plates, trays, bowls, cutlery, and certain types of polystyrene cups and food containers.

**HAVE YOU AUDITED THE SUP YOU USE AND  
HAVE YOU FOUND ALTERNATIVES YET?**

## GREAT DEALS

Take advantage of all the great offers (only available on the day), so you can get stocked up and be ready to serve up fantastically presented food and be compliant ahead of the October deadline!

## GOOD NEWS!

We have been working closely with our packaging suppliers to make sure we have a wide range of alternatives for you to choose from, and you can see samples of our SUP alternatives at What's Cooking? 2023, on 26th March!

**YOU'RE INVITED, PLEASE JOIN US.**

## EXPERT ADVICE ON THE DAY!

Come and chat with industry experts, manufacturers and our sales teams, who will be able to answer all your questions about the SUP ban and the alternatives available to suit your needs and your budget. **TAKE AWAY FREE SAMPLES TO TRY IN YOUR BUSINESS TOO!**

## VISIT THE PACKAGING HUB!

We have 10 dedicated stands showcasing everything from paper, greaseproof, single and dual compartment corrugated boxes in plain, printed, and premium-branded Hook & Fish designs - in a wide range of sizes.
