Welcome!

With Xmas approaching we're looking back over the year to take stock of what's happened, and what a year it's been so far!

- We've celebrated 130 years in business, and 25 years of delivering across Scotland from our Glasgow depot.
- We won Supplier of the Year at the National Fish & Chip Awards - *Thank you for voting for us!*
- We were headline sponsors of National Fish & Chip Day and the Fry Magazine Awards.
- We've delivered 12 months of What's Hot magazines to bring you offers, new ideas, competitions, *and more!*
- We've reinvigorated our Save + Select Rewards Club, with points boosts, prizes and unique experiences – and have more in store for '24!
- And, as always, we've continued to invest in our teams, infrastructure, our company and the industry to deliver our key reasons for being in business – to give you the best customer service we possibly can and to keep Fish & Chips the Nation's No.1 favourite dish!

We know only too well the challenges we all face and that's why we'd like to thank you, wholeheartedly, for your confidence in Henry Colbeck and for placing your business with us.

As a family business we'd also like to pass on seasonal best wishes from Chairman Bill Colbeck and his wife Director Isobel too who, with us and our son, look forward to seeing you at our exhibition in Edinburgh on Sunday March 3rd, 2024!

Warmest wishes,

Douglas & Georgina Colbeck

SANDS OF TIME CALENDAR 2024

We will be continuing to support our chosen charity, The Fishermen's Mission, throughout 2024. To celebrate this, we have partnered with them and an independent artist to bring you 'Sands of Time', a beautiful calendar full of images that have been created and photographed on beaches along the coastline of our delivery area in Northern England and Scotland.

We'd like to express a huge 'thank you' to Soul2Sand Sand Art Creations for providing us with photography. Soul2Sand is the brainchild of Claire Eason who, after 30 years of working in the NHS, mainly as a G.P., took early retirement to explore the wellbeing benefits of sand art. As a family doctor, Claire noticed the huge impact of emotional stress on physical and mental health within the community and that the people with the best health seemed to be those with active and creative interests.

Claire creates large scale sand art designs that she films with a drone. These designs can be personalised by individuals or businesses. Using a garden rake, the drawings start around low tide and usually take 3 or 4 hours. The incoming tide washes them away to create a blank canvas again. Sand art is an ephemeral and non-destructive way to connect with nature, express creativity and have something tangible to share after finishing it.

Soul2Sand and the Fish Mish both recognise and support mental, emotional and spiritual wellbeing in their communities and so we felt this shared ethos made for a great collaboration.

We hope you'll enjoy the imagery throughout 2024 as much as we plan to!

THE DELICIOUS ICELANDIC FISHMAS

Seafood from
Iceland

On the 12th Day of Fishmas...

The holiday season is almost underway and it's a very special holiday

- **WE CALL IT FISHMAS!**

Join in the Fishmas spirit by choosing high quality, sustainable Rammi frozen at sea fish from Iceland and you will also earn **12 points per box** on the lines listed on this page in November & December.

You won't find finer fish for frying!

Why Choose Rammi?

Rammi fish will have your customers coming back for more.

- Highest quality natural fish fillets frozen at sea.
- Caught in the clear cold waters of the North Atlantic where quotas guarantee a sustainable environmental balance.
- Tighter grades for improved portion control.
- Boneless fish means up to 10% yield gained by not having to cut and remove the Pin Bone - & it's skinless too.
- Less preparation, saving you time and money - **more time for you!**

What is Rammi oCean Premium?

Rammi oCean Premium is a premium, natural skinless boneless fillet which comes complete with the loin intact.

What are Rammi Back Fillets?

Rammi Back Fillets is the new name you'll find on the product that was previously called oCean Reserve – what's in the box is exactly the same – high quality Icelandic fish caught and processed by Rammi's state of the art trawler The Sólberg. The vessel uses revolutionary production technology which enables the crew to prepare and cut fish fillets to exact size grades from larger fish using water jets to remove the loin and create the Rammi Back Fillet.

On the 12th day of Fishmas Rammi brought to me:

Twelve points accruing
Eleven friers frying
Ten chippers chipping
Nine haddock battered
Eight pies a-steaming
Seven snags a sizzling
Six kids a-munching
... Five Star Drivers
Four pickled eggs
Three hot chips
Two juicy cod
and The Sólberg with a fresh catch

Get Saucy this Xmas!

Tomato, tartare and brown sauces are revered by traditionalists...but many takeaway and fast-food enthusiasts are now looking for magical new flavours and textures to bring their fish & chips, loaded fries, burgers, sausages, wraps and pizzas to life.

With a huge range of basic sauces and readymade combinations increasingly available, have you thought about experimenting to make your own unique blends, that might just get your customers hooked and coming back to you for more? We had a bit of a play about, and we came up with....

Chunky Burger Sauce – add texture to shop bought burger sauce, with a handful of chopped gherkins and elevate your burgers and sliders to the next level!

Decadent Marie Rose – equal parts tomato and mayo, with a dash of cayenne and a squeeze of lemon makes a perfect dip for things like scampi and seafood bites!

Spicy Garlic Mayo – blend hot or sweet chilli with garlic mayo and serve as a side with pizza or in a wrap!

Katsu Mayo – Katsu curry mixed with regular mayo makes a great dip for chips!

However, we're not the experts and we'd much rather hear about your recipes and find out what your customers think of your 'sauce-ry'! Post pics of your creations on your social page during November and December and tag @henrycolbeck and we'll pick a winner at random to win a spot prize in the new year!
