Welcome!

What's Cooking? Record Breaker!

Heartfelt thanks go out to those who turned up in droves for our biggest show ever - 'What's Cooking? 2025 at the Utilita Arena Newcastle Upon Tyne on Sunday 23rd February. Using a brand new venue, and one so much larger than any we've had before, (and just 2 days before the National Fish & Chip Awards) made for a thrilling time – and it really was worth it, with a record number of visitors and exhibitors (and 1st timers) in attendance. There really was something for everyone, from innovative products and services to family friendly fun, great deals and winners galore.

The Roosters Hot Wing Challenge was a HOT hit (with Caps to prove it!). The Kerry Cheddalicious Liquid Cheese-Mobile loaded our fries! Fresh from Italy, the Molino laquone Pizza Crew span their dough. And Big Al's made a BIG splash with their eye-catching (and ear-catching) chicken & burger silver Airstream – great music and even greater food!

PIES THE LIMIT!

British Pie Week is a celebration of one of the UK's favourite comfort foods, running each year to honour the humble pie. In 2025, British Pie Week takes place from **March 3rd to March 9th**. Established in 2007 by the British Pie Awards, the week highlights the creativity and craftsmanship of pie makers across the country. During this week, pie lovers and businesses alike come together to celebrate all things pie—whether it's by enjoying a delicious slice, creating special offers, or entering the prestigious British Pie Awards.

For those who enter, the process is simple: pies are judged on taste, appearance, and texture by a panel of experts, with categories ranging from traditional meat pies to innovative new flavours. It's a fantastic opportunity to showcase your skills, promote your pie offerings, and get involved in the nationwide pie celebration! We'll be joining in on the fun by offering some great deals on pies throughout March & April, giving you the perfect opportunity to stock up and celebrate the occasion.

In 2024, Middleton in Teesdale Chip Shop triumphed at the British Pie Awards with their Minted Wensleydale Lamb and Potato Pie combining tender lamb, creamy Wensleydale cheese, and perfectly cooked potatoes, all enhanced by a fresh minted flavour, wrapped in a wonderfully flaky pastry. The judges were full of praise, describing it as *'a come and eat me pie,'* with *'pastry that is a poem, perfectly seasoned and wonderfully flaky.'* They also noted that the *'filling is very well balanced, the meat is beautifully tender, and the mint is coming through well.'* The team at Middleton in Teesdale Chip Shop were thrilled with the win, celebrating the recognition of their pie as the best in the UK.

GET INVOLVED IN BRITISH PIE WEEK AND SELL MORE PIES!

Looking to add a tasty twist to your offerings during British Pie Week? Why not try making a traditional Hull Pattie using our Stuffing and Potato Flake! A local favourite, Hull Patties are a great way to give your customers something comforting and familiar. Bring a taste of the East Yorkshire coast to your menu!

MAXIMISE YOUR NBC PROFITS

With AMB 16-1 Brown Condiment Essence!

If your business buys NBC (Non-brewed condiment) to dilute, did you know we stock it in 7-1,12-1 and 16-1 dilution strengths?

UNDERSTANDING THE RATIO:

The ratio represents how much water needs to be added to get the desired consistency.

For example, a 16-1 ratio means 16 parts of water to 1 part of condiment essence.

The higher the ratio, the more the product 'stretches' economically without compromising on quality.

1x 5L pack makes up to 85L of NBC!

HOW TO MAKE UP 16-1:

- Take 1 5L bottle of Walter Black Foods AMB Condiment Essence 16-1.
- Pour 1 litre into a mixing barrel and add 16 litres of cold water.
- A funnel can be used for convenience.
- Decant into bottles for use as required.
- Always follow the safety precautions on the 16-1 pack and train your team accordingly.
