HARROGATE SHOWGROUND ON SUNDAY 8TH FEBRUARY

# Welcome!

With the Awards season in full swing, we've been delighted to see so many fantastic businesses and people entering this year – *the best of luck to you all.*

If you've never taken part and would like to, then it's never too early to start getting ready for next year's competitions. Drop us a line @ [marketing@colbeck.co.uk](mailto:marketing@colbeck.co.uk) if you're interested to discuss which awards could be right for you.

We'd also like to take this opportunity to congratulate everyone who's made it through to the finals of the National Fish & Chip Awards! A huge well done to those in the Top 5 Restaurant category, the Top 10 Takeaway category, and the Top 10 Drywite Young Fish Frier of the Year category – *what an achievement.*

**Congratulations** also to the Peter Hill Award finalists, who continue to inspire the industry with their innovation and commitment. We're so proud to see such passion and talent shining through across all categories – *best of luck to you all!*

Congratulations to the UK Seafood Federation for organising such an inspiring inaugural conference in October at The Fishmongers Hall, London. It was so informative and gave us some great ideas. We look forward to working with new contacts made to 'make seafood a bigger part of the British diet', with a particular focus on younger consumers.

**Have you got Sunday 8th February on your calendar to join us for our biggest show ever in Harrogate?**

Don't worry if you haven't because it's already printed in your **FREE 2026 Henry Colbeck calendar!**

We hope you have a busy pre-Xmas trading period and get a few days of rest over the holidays too.

**We're looking forward to working with you in 2026 and delivering 12 months of ideas, partnerships and offers to help support you, your businesses, and your profit margins.**

*Douglas & Georgina Colbeck*
